The office enjoyed a visit while our paper was going to press Thursday from Abe Cole of Nance accompanied by his brother Sherman and nephew Curtis who were on their way home to Miami, Oklahoma, after a ten day visit at Nance. This was Sherman Cole's first visit back to Taney county since he left here twenty three years ago. He sees many changes since that time, but is still enough interested in his native place to wish the county paper every week.

Dan Leatherman of Pinetop, has sold 80 acres of the John Dryden Bee Creek land to J. E. J. McGill of Lowry, Arkansas. Two of our young men attempted to celebrate in the old, old way the passing of John Barleycorn. They became intoxicated, went up to the school house, raised a big disturbance generally and became very abusive and profane in their language. They were arrested, tried before the mayor and fined eight dollars and costs each. We refrain from mentioning names, hoping there will be no further escapades of the kind to mention.

#### U. S. Government Warns Farmers About Diseases Caused by Rats.

They carry Bubonic plague, fatal to human beings. They carry foot and mouth disease, which is fatal to stock. They kill chickens, eat grain, cause destruction to property. If you have rats RAT-SNAP will kill them. Creamates rats after killing them—leaves no smell. Comes in cakes, ready for use. Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by J. E. Felkins & Co.

Ill and Nervous. Nurses dislike the season of thunderstorms. "We are not afraid of lightning ourselves," a nurse in a woman's hospital told me, "but it has a harmful effect on the patients. Most sick people fear lightning. In cases of extreme weakness or nervousness a dozen flashes of blinding lightning reduce the patient to a state of utter prostration."

Attorney W. R. Adams made a professional trip on Tuesday over to the Blunk farm near Bradleyville in connection with the partition of a part of this splendid tract of land. Joe Blunk has a goodly share in this farm under the terms of his father's will, the late Wm. H. Blunk, and is having the same set out to him. Joe also has a nice tract of land adjoining this. Some of these days somebody will be purchasing a fine Beaver farm from him and we daresay it will cost a pretty penny too.

CAN YOU READ  
YOUR TITLE CLEAR  
TO YOUR LANDS  
?

A Wise Man has his Deeds and other Title Papers Recorded. He should know whether all Prior Deeds and Patents are Recorded. He should also know whether all Deeds of Trust, Mortgages and Liens on his Lands are satisfied. He should also know whether all Taxes on his Lands have been paid and whether his Lands or any part thereof have ever been Sold for Taxes and a cloud thereby placed on the same. To tell him this, by preparing and furnishing him Complete and Dependable Abstracts of Titles, and to Cure Defects in Titles, is Our Business.
